No. S. P. C. 11937—46, *dated 11th December* 1933.

Enquiry No. 684.

Cocoanut oil required for the Mysore Government Soap Factory, Bangalore.

Sealed tenders will be received by the undersigned up to 5 P.M. on Saturday the 6th January 1934, for the the supply of cocoanut oil required for the Government Soap Factory, Bangalore.

2. Tenders submitted in response to this notice shall be subject to the following conditions:—

(*a*) An earnest money of Rs. 100 should be remitted to the State Huzur Treasury with the accompanying chellan duly filled in and the fact of such remittance should be noted in the tender. Tenders not satisfying this clause will not be considered.

(*b*) The quantity required will be between 40 to 50 tons and our actual requirements will be intimated when communicating acceptance of the tender.

(*c*) The material will be required to be delivered at the Government Soap Factory, Bangalore, in sound and new non-leaky, non-returnable tins.

(*d*) The quality of oil offered should be of the first quality and pure. It should also be colourless and free from impurities or adulteration. The oil should be suitable for soap making.

(*e*) Two sets of sealed samples of oil offered should accompany the tender. These should be about one pint in quantity. The Stores Purchase Committee will themselves undertake to have the samples tested and analysed and the cost of such test and analysis, *viz.*, Rs. 15 should be remitted to the undersigned with the tender. Tenders not complying with this condition will not be considered.

(*f*) Deliveries will be required to be effected in three equal instalments during January, February and March 1934.

(*g*) Supplies made otherwise than in accordance with the accepted quality will be rejected at the contractor's risk and the contractors will be required to replace the rejected supplies by those according to the approved quality.

(*h*) Failure to make supplies in time and according to approved sample will entail cancellation of the contract and forfeiture of the security deposit specified under the following clause. The Stores Purchase Committee will be at liberty to make purchases from other sources at the risk and expense of the contractors and debit the extra cost, if any, to them. In such an event, they will also reserve to themselves the right to levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

(*i*) The successful tenderer should be prepared to execute an agreement and deposit a sum equal to 5 per cent of the value of the order as security for the proper performance of the contract within 15 days from the date of order accepting the tender.

(*j*) Withdrawal from tender before the acceptance of tender is communicated or failure to make supplies as stipulated will entail forfeiture of the earnest money deposited at the time of tendering.

No. S. P. C. 12315, *dated* 13—14*th December* 1933.

To

The Firms dealing in Soap Cartons.

Enquiry No. 682.

Washing Soap Cartons.

GENTLEMEN,

The Stores Purchase Committee are in the market for five lakhs (five hundred thousand) of Washing Soap Cartons as per sample enclosed. It will be observed from the sample that the carton has been printed by the tri-colour block system but quotations for cartons printed

Stores Purchase Committee will have the right to alter the existing design in case better designs are offered by the tendering firms. Quotations should therefore be furnished both for cartons prepared in accordance with the sample furnished and also according to other designs offered as alternative makes. Samples of cardboard from which the above cartons will be made as also samples of similar cartons printed and offered by you for the general trade should be furnished, without which your quotation will not be considered. As we require cartons of both 7 oz. and 8 oz. weight, our exact requirements of the two kinds required will be intimated to you at the time of placing the order.

Your quotation should be superscribed "Quotation for washing soap cartons" and should be sent to the undersigned on or before the *5th January* 1934.

Please quote the above Enquiry No. in all your communications.

No. S. P. C. 11947-56, *dated 13th December* 1933.

To

The firms dealing in Ledger Binders.

No. S. P. C. 12475-80, *dated* 18*th December* 1933.

To *The Firms dealing in Pressed Steel Tank and Staging.*

Enquiry No. 694.

Pressed Steel and Tank Staging.

DEAR SIRS,

Please quote your best prices and earliest time of delivery for the following equipment.

Item 1.—One pressed steel tank, 15' x 10' x 10' with 5' plates or 16' x 12' x 8' with 4' plates of the specifications given in the attached schedule.

Item 2.—One staging 25 ft. high with suitable ladder conforming to the specifications given in the schedule.

Detailed specifications of the materials offered by you should be given in your quotation which should be accompanied by drawings showing the materials offered.

The price to be quoted should be for delivery, f.o.r., French-Rocks, Mysore Railways.

This enquiry will close on the 10th January 1934.

SCHEDULE.

SPECIFICATION FOR A PRESSED STEEL TANK EITHER 15' x 10' x 10' OR 16' x 12' x 8' ON 25' STAGING FOR FRENCH-ROCKS.

The tank should consist of pressed steel plates either of 5' plates (15' x 10' x 10' capacity 9,300 gallons) or of 4' plates (16' x 12' x 8' capacity 9,600 gallons), the thickness of all the bottom plates and the lower half of the side plates being ¼" and of the upper half being 3/16". The tank should be provided with ⅛" thick mild steel plate covering supported on angle iron rafters with necessary slopes for draining out all water. A dust-proof manhole cover 21" diameter with necessary locking arrangement should also be provided for. The tank should have suitable stays inside. A steel ladder to get into the tank from the manhole should be included with necessary fixtures.

A suitable level indicator with necessary pulleys, float, etc, should be provided for with a prominent gauge board.

Sufficient quantity of proper jointing materials, gusset plates, bolts and nuts with washers, etc., complete., should be sent to enable the erection being done at site.

The staging 25 ft. high to support the above tank should consist of angle iron or channel iron stanchions with angle iron bracings of suitable dimensions and the stanchions should be provided with suitable base plate and foundation bolts, etc.

Proper section of main joists either channel or I beam with the top joists for supporting the tank should be included. The dimensions of the joists proposed to be used should be clearly specified.

The staging parts should be erected at the works and each part accurately numbered, so that they could be assembled at site easily. All the bolt holes should be accurately done.

A suitable ladder from the ground to the top of the tank should be included to facilitate climbing up the tank and all the necessary fixtures and struts to the same should be completely given.

It is preferable to provide gusset plates for the bracings instead of direct joints to the stanchions.

Two sets of correct working drawings with complete dimensions of all the parts should be sent to facilitate erection.

Time of delivery of the materials should be noted in the quotation and the period strictly adhered to. The drawings, however, should be sent well in advance.

The tank and the staging materials should be painted with a coat of red oxide paint before despatch.

Yours faithfully,
V. VEDAVYASACHARYA,
Secretary,
Stores Purchase Committee.

BANGALORE BUILDINGS DIVISION.

Notification, dated 19th December 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Buildings Division, up to 8th January 1934, (2 P.M.) for constructing Central Police Station, Fort, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1934.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. to 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees eight hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Constructing Central Police Station, Fort, Bangalore," in default of which tenders will be rejected.

5. The final acceptance of any tender witl rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality or works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
